

MAKEUP for Quiz # 88.4
On Evaluation, Ethics, and Safety
BY: student 109.4 Maker Bn Quiz
As of 10/11/38

Introduction

This is the correction of quiz # 88. It just happened for question # 4 that I pointed to the wrong answer. For all my wrong questions; the correction scenario contains the heading of the question, my wrong answer and the correct answer. The true statements of each of my wrong questions are given as well.

Corrections

Question #	1
Heading	Blanchard and Peale introduced their Ethics Check List in their famous book A: aaaaaaaaaaaaaa b: "The Engineering Code of Ethics" c: ccccccccccccccc d The Power of Ethical Management"
Wrong Answer	b) "The Engineering Code of Ethics"
Correct answer	d) The Power of Ethical Management"
True statement	Blanchard and Peale introduced their Ethics Check List in their famous book The Power of Ethical Management"
Place of answer	This statement is found in the **** book Page **** third paragraph

This must be repeated for all the TEN questions (the correct and the wrong)

Discussions

I hereby certify that I was pointing by my pen to answer (f) on question # 1 but I did not know how it selected (b). It just happened!!. My evident of memorization is that lap lap la. I posted many tiny cards all around my room each of which carries one of the true statements.

(1) A copy of the Quiz Makeup Checklist

(2) The Quiz Make up themselves

(3) Engineering Journal
